

Dear Applicant:

We are excited about your interest in working at Camp Wabanna during the Summer of 2010. We have been proclaiming the love of Jesus and bringing the gospel to boys and girls since 1941. This ministry is dedicated to excellence in programming and staffing. We have been richly blessed by the young adults the Lord has provided from all across America. God has given us a rich heritage of dedicated workers and we anticipate an even greater experience this summer!

While programming and activities add fun to the camper's experience, camp memories are founded on the personal time invested by our staff. Encouraging words, high fives, loving discipline, sincere conversation, and selfless prayers will transform a child's life forever. Join us in this rewarding venture!

Please complete the enclosed application to the best of your ability and return it to the office as soon as possible. Have your references send their recommendations in a timely manner as we address our early applications with priority. Once your information has been processed, you will be contacted for a phone interview with a member of our management team. We seek to fill most available positions by April 1.

Our summer program operates for eight weeks from June 13 through August 7, 2010. Staff training begins on June 2 and concludes on June 12. Please contact the office as soon as possible if there is a potential conflict with these dates.

If you have any further questions, please contact the camp office at (410) 798-0455, fax (410) 798-1214 or email us at info@campwabanna.org. We continue to pray for God's blessings and we look forward to your response.

Sincerely,

Neal Luebbers
Director of Children Services
