

Dear Leader in Training Applicant:

Since the summer of 2000, our Leader in Training Program has equipped teenagers between the ages of 15 and 18 to become consistent followers of Christ and effective leaders of society. At the start of the week each participant will be introduced to a series of teambuilding and leadership opportunities on our Low Elements Course. Each participant will then have the opportunity to implement the leadership techniques during the rest of the week. It is the philosophy of Camp Wabanna that leading is first learned through service. We offer each participant the opportunity to serve in a support staff position of their choice for 1 day during the week. For the next three days participants of the program will experience hands-on leadership training through the assistance and mentorship of campers from our junior and day camp programs (ages 4-11). Group discussion and reflection, Bible studies, leadership seminars, teambuilding activities, and group events make-up the remainder of each day, allowing participants the opportunity to fully reflect upon and consider their leadership experiences.

Our Leader in Training program runs all 7 weeks of our summer camp program. Please refer to the registration and application forms for specific dates.

Due to the rigor of the L.I.T program, a separate application process is conducted and only a certain number of Leaders In Training are accepted for each week in the summer. In order to be accepted, applicants must be interviewed by a member of our management staff. To qualify for an interview, please fill out, in their entirety, the following forms:

- Registration/Application Form (Please note instructions for new and returning applicants)
- Personal References (2)

If you are a new applicant, you will be contacted for a phone interview by our staff.

The financial components of the program are as follows:

\$270.00 per week plus the snack shop fee.

If you have any questions, please call us at 410-798-0455 or email us at glarsen@campwabanna.org. We look forward to hearing from you!

Sincerely,

Grant Larsen
