

Dear Wabanna Retreat Guest,

We are so excited to be able to serve you here at Camp Wabanna during these trying times. Because we know that there are more questions and concerns now more than ever, please read through this form. When you finish, please sign it, and turn it into your group leader prior to or upon entering camp for your retreat. A signed copy of this form is **required** for anyone to participate in activities here at Camp Wabanna.

Our Staff:

- Our staff will be masked any time they are indoors, preparing or serving food, or within 6 feet of guests unless the safety of the staff member or guests is inhibited by this such as with a lifeguard.
- Our staff will not be permitted to work if they have a temperature of 100.4 or higher, or any of the following symptoms: Shortness of breath, persistent cough, or new loss of taste or smell.
- Our staff will isolate if they have come into contact with a known case of Covid-19 for 14 days, or until cleared by a doctor.

Our Buildings:

- In between usage of shared spaces (Gym, Pavilion, or Dining Hall) our staff will disinfect the spaces prior to the arrival of the next group.
- If there are multiple groups here, each group will be given their own bathroom space that is just for that group. In addition, antibacterial wipes or spray will be available to guests to wipe surfaces as desired.
- Meetings and meals will be outside as much as is possible, or if indoors, spaces will be temperature controlled to provide appropriate ventilation and guests will be able to spread apart to allow for appropriate social distancing.

Our Guests:

- Our guests will do their own personal health screening prior to their arrival at camp, and know that they will not be permitted to camp if certain symptoms are present.
- Guests are asked to wear masks whenever they are indoors except for when eating. They should also be worn outdoors when not able to remain 6 feet apart unless they are with someone from their own household.
- Wabanna staff will not be policing our guests as it is our hope and expectation that each person will be as concerned for the health of themselves and their fellow retreat guests as much as we are.

By signing this, I confirm that on the day of my arrival at Camp Wabanna, my temperature has been taken and it is below 100.4. Guests with a temperature above 100.4 are not permitted to enter the camp grounds.

In addition, I attest that within the last 14 days I (or my child) have not come into contact with someone with a known case of Covid-19. If I (or my child) has experienced any of the following symptoms: Shortness of breath, persistent cough, new loss of taste or smell, and have not received a negative Covid test from a doctor, I know that I (or my child) are not permitted at camp.
